Description: A voyage of discovery, two remarkable women, and an extraordinary time and place enrich this New York Times bestselling novel by Tracy Chevalier, author of *At the Edge of the Orchard* and *Girl With a Pearl Earring*. On the windswept, fossil-strewn beaches of the English coast, poor and uneducated Mary Anning learns that she has a unique gift: the eye...

Review: Like her better-known *Girl With a Pearl Earring*, Chevalier leans toward historically-based literature. While much of this one is based on fact, she does say that she invented parts of the story also. The plot doesn't seem as tightly constructed as *Girl*, with less suspense as well. The characters are interesting. There are certainly parallels to Jane...
